Dear Cousin:

As you may know, we are in the process of updating family entries with the view to preparing Volume III of The Merwin Family in North America.

Will you please give me any needed addition or correction of your entry as we now have it. A copy is enclosed.

If you have been born a Merwin (with the surname Merwin), you will be included in Volume III without question. You need not be a member of our Association. However, we would be pleased to have you join to support our efforts and be informed of the doings of Merwins around the globe. Just send me a check in the amount of $10 payable to Miles Merwin Assn. for annual dues and we will sign you up. If you are already a member, we appreciate your support.

If any of your children are now married, please give me their current address so I may contact them.

FINDING BAPTISMAL RECORD OF MILES [1] MERWIN

We reported in the August 1985 Issue (No. 75) of Milestones that the Merwin Association's researcher in England, Mr. I.R. Harrison, of Norfolk, had found a baptismal record that could be of our immigrant ancestor, Miles [1] Merwin, 1623-1697. He found the entry in the baptismal records of New Windsor, Berkshire; it read as follows: "1 Feb 1623 Myles, sonne of Gualter Murwin, born in Cluar Parish". Since we know from the tombstone of our immigrant ancestor in the Milford, CT, cemetery that he was born in 1623, there is strong presumption that this is his baptismal record. It may also be noted that the first vowel in the surname could also be read as an "e" rather than a "u"; in seventeenth century handwriting, called Secretary's Hand, the shape of the letter "e" closely resembled that of the letter "u".

The Parish of Clewer (to use the modern spelling) is situated between the two detached areas of the Parish of New Windsor. Its records go back only to 1653, which would explain why the entry for our immigrant ancestor was recorded in the New Windsor records, with the notation that he was "born in Cluar Parish". The parish church of Clewer, known as St. Andrew, was originally a Norman church built in the twelfth century. (Photograph on left taken by Charles & Betty Merwin). Substantial parts of the original church remain in the present structure, which is located on Clewer Court Road in Clewer, Windsor. The font of the original church is still in use (see photograph below) and it would have been at this font that our immigrant ancestor, Miles [1], was baptized in 1623.

The research trail which led to finding this baptismal record is worth recounting. The earliest record of Miles' presence in the New World

Dear John:

Thank you for your letter dated 14 October. I have delayed replying until I could see what the directors were going to do regarding the English research into the Merwin family.

At the Directors' instructions, I have been, and still am, writing *The English Ancestry of Miles and Elizabeth (Powell) Merwin* from Doug Richardson's research. We expect to announce the availability of that book in the December *Milestones*. The book will be a reduced version of Doug's research as shown in the *New England Historical and Genealogical Register* (July and October issues). The reason we reduced the information was to eliminate some of the information Doug included on collateral relations. Our book will show all direct line antecedents plus related persons on the Merwin family, but not on the other families covered. This information will be of interest to all Merwins and not bore them with information on several families not in our line down several generations.

The Editor of the *Register* has assured me she will provide copies of both *Register* articles for a price. This has not yet been provided, and we are not sure how soon it will be. The Directors have decided to provide copies of the *Register* articles at a price as yet to be determined some time after our book has hit the street. These will be in limited quantities. Our book will be added to our publications list so that all present and future members may obtain a copy.

Thank you for your kind comments about my work for the Association.

Dear Cousin Merwyn,

Several weeks ago I received a note from you, which I've misplaced. I believe it said that records indicated I hadn't paid my association dues this year, and because of that some information wouldn't be published in the update.

Having recalled that in fact I did pay the dues, I checked my records and did find the canceled check from June. There must be a bookkeeping error somewhere.

Your task must be considerable in this supplement. Please accept my appreciation for your efforts in sorting out the mass of names, places and dates. It must be a difficult job indeed.

Kindest Regards,

Dear Cousin Merwyn,

The information you prepared for the addition to our Merwin book is correct in every detail.

Regarding Cynthia and me: She is a native of Oklahoma City, and 1970 graduate of Trinity University (BA in biology) and by training is a hospital laboratory technologist. I received a degree from Trinity University (BA in journalism) in 1969, and MA (mass communications) from University of Texas in 1970. Our interests are largely reading, writing and travel.

Hopes this helps you out with what must me a momentous task. Best of luck to you.

Dear Cousins:

Enclosed is the draft of an entry for your family in the supplement to MFNA.

Your mother gave me this data and I'm sure it is quite accurate, but I would appreciate your reviewing it. Give me any change necessary.

I would like a more detailed biography of you and your wife. Schools, degrees, interests, etc.

I have read Forbes for many years. Was pleased to see you are part of that fine magazine.

Best regards,

Merwyn

Dear Cousin Merwyn,

Thank you for your letter asking whether I am the son of Lloyd Merwin & am, and have forwarded the forms you sent to my mother. She will update you on our branch of the family, and furnish current addresses.

Apparently our branch of the family failed to furnish data for the book, as there are some errors, particularly in our ninth-tenth generation. If I can be of further aid, let me know.

Dear Cousin:

Thank you for your letter dated 3 March.

Enclosed is a revised family entry for your review and correction, if necessary. Note there are some blanks which need filling. Also, I would like a biography of Robert along the lines suggested below.

You certainly were on the move before and after Brooke's birth. Hope you can settle down for a bit now. That may not be easy to do from my experience in the service during WW II.

PRAYER OF COUPLE

OUR FATHER IN HEAVEN, WE KNEEL BEFORE YOU VERY HAPPY.
YOU BROUGHT US TOGETHER: UNKNOWING, UNSTABLE BUT HAPPY.
YOU BROUGHT ABOUT EMOTIONS WE NEVER BEFORE HAD.
YOU ENCOURAGED OUR LOVE AND TRUST TO GROW. WE,VE PLEDGED
OUR LIFE TO ONE ANOTHER AND OUR CHILDREN TO COME.
GIVE US THE STRENGTH, THE COURAGE, AND THE INTELLIGENCE
TO COMPROMISE, ENDURE AND LOVE, ALL THE DAYS TO COME.
WE ASK FINALLY, THAT WE LOVE EACH OTHER AS DEEPLY IN OUR
OLD AGE AS WE DO AT THIS VERY MOMENT THROUGH CHRIST OUR LORD.

AMEN!

Dear Cousin:

Congratulation on Brooke's birth!

I appreciate receiving the information about her birth, but I still do not know the name of baby's mother! I wrote you on May 8 and again on August 9 asking for information about your wedding and your wife's information. To date, I have received no reply.

It is our custom to put the name of both spouses along with the baby's name in Milestones so I can not mention Brooke in the newsletter let alone properly include your family entry in MFNA Volume III.

Enclosed is a draft of your entry as I now have it. If you will be kind enough to fill in the blanks and add a brief biography of both you and your spouse, I shall be able to mention Brooke in Milestones and put you entry in Volume III.

Dear Chris:

Many thanks for getting Bill's family record. Enclosed is a copy of his family draft for your information. I am also enclosing a copy of my letter to him for your information.

You say all your family is now in New Jersey. Does Sharon live there? The South Jersey area is quite familiar to Betty and me. Betty was born in West Collingswood, I lived for five years in Audubon and Betty's sister Marion, who was recently widowed, lives in Voorhees. We visit her frequently.

The Directors meeting was an expensive trip for lunch and a two hour meeting, but interesting. We met at Charles' "cottage", went to a restaurant for lunch and back to the house for the meeting. The wives sat on a screened porch while the meeting was on. There were five directors there. Charles, John David, Gaius, Roger and me.

Betty and I are sealed into our cottage since the heat has climbed to nearly 100 degrees. It was 102 in Philadelphia yesterday. The cement and metal buildings accentuate the actual temperature.

I wrote your brother, Clarence, on 9 June asking for the McLevys' current address so I could send them the latest issue of *Milestones*. To date, I have had no reply. Will you please give it to me?

As ever,

Dear Cousin Gaines—

Many thanks for your delightful letter. Ed is much too busy to reply as we arrived in Honduras on the 27th and he went immediately to work. We are pleased that Robert paid his dues as often young adults let such things slide.

Please apply the $10 to enroll our daughter Sarah in the association.

Dear Chris:

We were pleased to learn from your dues notice of the birth of another of your grandchildren. You are most fortunate.

Did you ever give me information about your son's marriage? I do not seem to be able to find any in my file. Would you please ask William to fill out the enclosed Merwin Family Record form and return it to me? Then our records will be complete.

Guess you are quite busy traveling between Florida, New Jersey and North Carolina. Are you going to be able to attend the Director's meeting in Cape Cod in July? We would like very much to see you.
